Hello all! Everything happens for a reason, and the reason I am on the cover of FOX this month is so I can guide you through one of the sexxiest issues ever! An awesome perk of working in porn is that I get to spend a whole lot of quality time with hot girls and I wanted to share with you what that's like. So I invited some good friends to get their slut on and grace the pages with me. Here's who you'll find inside: adorable Kaci Star getting banged out by not ONE but TWO boner-wielding behemoths; tatted-up mega tart Cadence St. John stirring her honeypot; casually cool Keira Kelly showing off her cookie; racktacular Aleksa Nicole beating around her bush, and many, many more! There are so many fine-ass girlies in here you won't know what to do other than wank yourself into a sticky stupor. Plus, not only will you get to trail my naked tail on the set of the inevitable Ivan's "Lily Carter Does PUBA," you can stroke it alongside Nikki Sexx doing her thang in Porno Dan's "Fuck A Fan 16." Prepare to get real cumfy at home with Lily LaBeau and learn some juicy lil' facts about Phoenix Marie in her exxxclusive FOX Twitterview. Discover what it is exactly that porn girls muse upon while masturbating from the "Dirty Minds" feature plus tons more tawdry tidbits await! Mmmmmmm...

INFORMATIVE JACKRAG!

Dear FOX! Your mag is the greatest! I am always so psyched to get my hands on the latest issue. I fell that it is way more than just your ordinary run-of-the-mill jackrag, it is actually informative! People may wonder what can you possibly learn from porno and I say *plenty*! After reading through a FOX, especially all those bomb-ass on the set thingies, I always come away feeling like I know a little bit more about the industry and its inner workings. Which is an endless source of fascination for me, I gotta tell you! I like to rub one out to the pics, I mean who doesn't, but I like to read the articles equally as

much if not more. Keep up the goddamn excellent work!—*Vince in Provo via email*

SNIFFING THE LILY

Dear FOX Magazine: I have an idea that I think will help you to sell about a million more magazines. Why not do a little cooze scratch and sniff section? That way your readers could get a little whiff of their favorite porn bitch and help things along in the pud pulling department. For starters, I'd like to smell me some Lily LaBeau. But fresh, not after she's had a cock in her. Maybe you could make it so there is a scratch and sniff patch representing her

snatch and another representing the side of her titty. That way someone could really get a good sense of her true scent. I know it's possible because those fashion magazines my sisters always leave lying around reek to high heaven with all sorts of perfumes and shit. Like I can't even get off to those mags thanks to the overpowering smell. They stink badly enough to kill a boner.—*Dave in NM*

HE'S NOT A PIG

Dear FOX: When I opened up your June issue and feasted my eyes on that set of Emily Addison I fell in love so hard that I almost couldn't beat off. ALMOST. I managed to

rally and give her an unborn baby donation. I mean, is she even for real? She's gorgeous! Those tits! It nearly killed me to learn that she only does girl/girl. Someone has GOT to convince her to tackle a few dudes and make the rest of our pathetic lives a whole lot better. She has a kind face, I think she would understand and be willing to give that of herself. I'm even pretty sure I can convince her. If she doesn't want to make a movie, maybe she would be willing to let me fuck her in private and snap a few pics on my phone. For my *private enjoyment* afterwards only, of course. I'm not a pig. You know it.—*B.D. in MA via email*

FUTURE IN HER HAND

Dear *FOX*: I've been a longtime fan of your magazine and I notice from time to time that a woman writes in to you. I personally like those letters the best, being a woman myself. I think it's totally OK for chicks to like porn and view pornstars as role models. Sure some of them seem like they are a little messed up but who isn't? I work as a waitress in a restaurant and let me tell

you that some of the other girls I work with are fucking nuts, so that isn't limited to the porn industry. I'd love to hang out and go shopping with say, Brooklyn Lee or Dana DeArmond. As far as I can tell, they seem like really cool girls and I wish I could be friends with them.—*Leila in CA*

OH NO, HE'S NOT FOOLED

Dear *FOX*: I want to drag my balls across the face of Melanie Rios so bad. She is the spitting image of this girl I fucked once way back in high school. She let me hit it one time and one time only but damn I never forgot how good my cock felt inside of her. Some girls just have pussies that are shaped a little more better or something, like tighter but softer at the same time. Yeah, so Melanie Rios...man, she really looks like she knows how to fuck. You know how I can tell is by the expression in her eyes as she poses for the photos. Some girls that fuck for a living look like they are just going through the motions, like hamming it up for the camera and it may be convincing to some but

it doesn't fool me. I know whether or not a girl is really digging it, and Melanie Rios looks like she wants to fuck more than anything else in the whole entire world. I wish I could stick it in her just once from behind.—*El Roy via email*

PAINTING A PICTURE

Dear *FOX*: Your magazine always makes my day better when I find it waiting for me in my mailbox. Getting a subscription is the best thing I ever did. Now I never have to worry about missing an issue. I like it a lot when you do Q&A's with the girls on set making a porno. I like to think of them answering questions about their parents and where they grew up with cum all over their faces and sliding out from inside their assholes and stuff like that. I get off so hard reading a Q&A and imagining their voices sound a little bit out of breath from having just been pounded and them wiping off eye makeup all gummed up with spunk and answering what their favorite color is and shit like that.—*Luke in CO*

KEIRA
KELLY

The trouble with tribbing is...well, there's no real trouble with tribbing, unless you dwell upon the fact that some super hot sex starlets—Keira Kelly, for example—make it the main event in lieu of getting man-handled. But hey, that's cool right? No one wants to live in a world where gorgeous girls grinding on each other (vulvas pressed tight, thighs flexing as they wriggle and twist in the effort of effecting better clit-on-clit friction) is a BAD thing. It's just...well, watching Keira strip down for the camera—her lips puffed out in a fuckable pout, the soft swell of her boobs from below, the up-close perfection of her smooth, rose-colored slit—it kinda makes you wonder what it would be like to see a nice, stiff cock slide in and out of her, you know? But that is about as likely as having your favorite sci-fi fantasy suddenly cum true—unless you can locate her one and only B/G scene on the Intranets. 🐱

Texas Hold'em Odds Card

In the game of Texas Hold'em, your goal is to play as many hands as possible against the least amount of players, preferably heads up. The more players involved in any hand may decrease the probability that the best pre-flop hand will win.

The following chart illustrates suited AA - TT and shows the winning percentages for 2, 4, 6, 8, & 10 players.

Please Note: The chart refers to only suited hands. The non-suited hand percentages are slightly lower than those of suited hands.

She answers the door in a slim, red, floor-length housedress. Every man, however bankrupt, weakens in the face of auspicious female allure at this level. Each cell of Lily LaBeau's body breathes the air of free love. She's been doing porno for over two years and has been nominated for a bunch of awards but has received none so far which furthers the message of the futility and fruitlessness of **SHOW BUSINESS** awards that are bought, sold and snorted like dime bags of fake cocaine. There are so many movies, so many sex scenes and so much pure lust with which to evaluate and realize the sexual soul at work here. She was noticed quickly and has never lacked for employment. In fact, she's taking a rare week or so off for a staycation that allows us to arrive at her living space to listen to what she has to say, and drink the milk of human female paradise that is Lily LaBeau. Hear her talk. See her. You will realize who she is.

FOX: Your career is really starting to take off. Is that a fair statement?

Lily LaBeau: I think so. It's sort of hard to tell because I don't feel any different than when I first started but the only difference is everyone's saying, *You're doing really good now, aren't you?* So I guess yeah I am, if you're noticing.

You've been working a lot.

I do work a lot. I've pretty consistently been working 10 to 20 scenes a month on my good months. I had some problems my first year but it's usually pretty good. A lot of the reason I went to Europe was that I was going a little crazy. It was like work, work, work and I didn't have that much time for sleeping or eating or anything and it was great because I was making so much money but I was like, I need a break now. I was in Europe for six weeks total.

You've been doing a lot of features. You're a highly prized item in these feature movies.

I can memorize lines! I've always been acting. The first thing I remember doing was Annie in second grade. I am an official thespian actually, I became a thespian in high school. I love it. I love having that in the industry. It's fun and it's like a creative outlet. I love being a character. When you're acting it's just something you are.

So you're from Seattle originally. How long have you been in L.A. now?

My mother moved me and my sister to Arizona in 1999 and then I moved out to California two years ago.

What nationality are you anyway?

I'm Irish and Panamanian. All my mother's side lives in Panama. I met my grandmother twice. Once when I was born so I don't remember it and once was when I was fourteen. That was kind of cool. I want to learn Spanish so I can go over there and talk to them.

Describe the transition from your civilian sex life into doing porn.

So I was dating this guy, and this was before the industry, who cheated on me and he broke my heart and I didn't have sex with anybody for like seven months. I think that's at least part of the reason that I got into the industry because I'm a very horny girl and it all accumulated and I just had to let it out. I didn't like men and I did not know how to approach women so I was just like **FUCK EVERYBODY!**

Were you always sort of a libertine?

I used to model and I'm used to being in front of the camera and I just love to be naked. I would rather be naked than clothed. I hate it when they tell you to put your clothes back on. Even my mom, and I feel bad saying this, but when I

was a little kid, her and my sister and my aunt would all make fun of me saying that I would be a porn star because I would just run around without any clothes on. I was just so free.

What was your first scene like?

When I did the first scene the guy was smaller, not what I would normally go for, but I knew what they wanted to see and I new what was going on so I thought, alright I'm going to give them a show and I liked it. I liked putting on that act.

So you can get off sexually with other people being around?

Oh yeah. I love it! I always ask people, did you get a boner? A lot of them won't say yes but a lot of them do and I just love that.

Were you wild prior to porn? Tell me about your sex life then.

My sex life prior to porn was not all that wild. I had my one night stands here and there. I probably had fucked like 10 guys before I got into the industry. I had boyfriends and when I have boyfriends I liked to fuck them. I remember I got on birth control with a boyfriend and it was the first time I'd ever let someone cum inside of me. It was the coolest thing ever. I've always been a little bit down to try things but didn't watch porn before, just HBO. I lived with a girlfriend Proxy Paige and she showed me the best. She worked at a porn store and she showed me the good porn and the awesome porn and the good girls.

So you got to like porn after that?

Yes, because I had never seen stuff that would actually turn me on and that I was excited about. We would have Porn Day and I would call her and if she was home alone she would tell me if she was masturbating or not so I would either come home or stay out longer.

Did you guys masturbate together watching porn?

We had our first threesome together with our other roommate. They came home one night and we're all drinking and it just

happened. He was a male roommate and I was excited.

It was hot and a lot of fun and she was just so open about everything. She would clean her butt toys and leave them on the rack. We really didn't think anything of it.

She moves into the bathroom and starts applying makeup.

She asks if red lipstick is okay. I say sure. She says YAY!

So you've been doing a lot of fucking since you got into the industry. What are you doing different now? What have you learned?

I love being fisted I found out. Yeah, the whole thing just filled up and now that I'm putting stuff in my ass a whole new world has opened up. My pussy is meant to be filled up. It loves it and it stretches out but I do my exercises and it goes back. Now my sex life is so much more creative and exciting and I'm with someone (male porn talent Danny Wylde) who if I want to try something crazier with, like if one night I want him to strangle me or bite me and mark me a little, he's into it. Like if just once in a while I feel a little crazy, he's down and other people might not be that down. They might think you're crazy. I want to try more things, I want to try more toys and I want to do more stuff with my butt and then my pussy, at the same time.

So what kind of stuff do you like to put in your ass?

I love putting my fingers in my butt because it's the easiest. That's what I started with but now I can put in four and I'm like how many more can I get in there? I want to be able to fist my own ass. I feel that like, as a porn girl when you are able to do that it's a whole new level. I can't do it to my own pussy but I've been fisted a few times, especially in Europe because they're all about that. It was fun.

Can you try to fit something in there?

Sure, like my hand? I'd love to!

She sits on the toilet.

I like taking pictures on my toilet, and I like peeing. I like experimenting, and certain things you think, I won't like that and then somebody makes it happen and you get a little wet.

I love your pussy lips.

When I first started developing my vagina I thought something was wrong. And up until moving in with Proxy I still kind of wondered, does everyone's hang like that or look like something unlike what is going on here? I thought I had cancer. But now my vagina and I are best friends. I'm glad about that. The war is never over between a woman and her vagina but we're friends now. That's good. I listen to her and make sure she's happy, it's a good thing.

Tell me if being in porn has changed your orgasmic process?

I love telling this. When I first started out the only way I could cum, and actually this is weird, was I would put my hand in a fist, put it between my legs and squeeze. That's what I would do. I would barely move it and have my knuckle right there. That's it. Or I would always get in trouble for riding things, like on the corners of the couches or whatever. I guess I never really learned how to use my hand. I learned about vibrators and how vibrators rock and you can come so fast but that was all outside of sex. I never came during sex with just a guy. I still loved sex and still enjoyed it but I figured that I just needed to teach myself how. Then I found out that I could masturbate with just my hand. Like the first time I got myself off with just my hand and no toys I was so excited. I was like THIS IS GREAT! It's quick and convenient. From there I was just like, all right so during sex it's easier in this position and if I do this it helps and now it's great! Now it's just like 4 or 5 times when I'm fucking and I'm just so happy! I'm very content.

Under these conditions how much do you need to jerk off?

I don't need to jerk off. Somebody asked me about this and I don't need to but I like to and I like to do it at least once a day. I think it makes you a little less stressed and it takes your mind off things a little bit and when you don't, it's like you don't realize it and then when you do you're like what was I thinking? It's like when you don't take your vitamins for a long time and then all of a sudden you take them and feel great. But some days when I'm horny I can start masturbating a lot, 4 or 5 times easily.

Do you use mostly vibrators?

I like switching it up now and then. I'm a little more spoiled in the toy department so definitely vibrators. I don't use dildos that much for masturbating at least. I use my hand too of course. It's funny when you realize that everybody masturbates different. Some people like it in a circle, some like it up-and-down and also my clit is hidden, and see it pops out like that but then it's not used to being out so when someone wants to rub it directly, I'm like NO it's too sensitive. It feels so much better if you just do it on top of the skin where there's a little bit of a barrier, if people could only just be gentle.

So your family back in Washington obviously knows what you're doing right? How is all that playing out?

Well, it was weird. My dad still isn't speaking to me but I didn't grow up with him. I grew up with my mom and my aunt and then moved to Arizona. My family's always

been there for me and when I went back I was so scared that they were going to hate me and ask me too many questions and all that. But they just wanted to know that I was okay and once I told them that I am okay and happy, I'm doing really good and I'm not on drugs and was investing they were okay.

You are in such good shape.

It's from fucking! I dance but when I'm not working I notice it. I'm learning how to pole dance. I don't know how to strip. That's all I know.

We head out into the living room where a stripper pole is the center of attention. She takes a few swings and then several more with a running start.

Your pussy is getting so much action. Is that why you took a break?

I think I really more mentally needed a break. Because you don't have time to clean your house, you don't have time to do the normal things that you should be doing and everything just kind of piles up on you. Traveling for me is almost like that treat, knowing that I have something planned and you're motivated to get stuff done. I just love traveling. I'm all about living. I don't know if I'm going to die next year. I just had a friend that's younger than me pass away like a week ago. You don't know. Spiegler was pissed but it was the best summer I ever had.

You live a free lifestyle, like a hippie trekker.

I'm a dirty hippie. I'm like a desert rat from Arizona going for days and not washing my hair. I'll wash my body but I love it when it gets dirty and sticky and messy, close to being dreads because that's when it looks the best. I have to be honest, before porn I really didn't take care of my feet and I was walking barefoot everywhere, it was so much easier. Now I feel a lot more classy but on the inside I'm just a dirty hippie, and that doesn't mean bad hygiene. Dirty means different things.

I love dirty hippie girl hair.

I had a fan tell me that they love my lion hair because my hair is kind of like a lion's but I have a plan. I want to grow it out as long as I'm in the industry if they'll have me for like another 5 years and then I want Belladonna to shave my head. That would be great. I think fans will freak but that's what I want.

Was your mom a hippie?

My mom was a hippie for sure. She even lived on a commune.

Were you raised on a commune?

Oh no, I wish so bad! She told us stories and I always loved the idea of that. Who even knows what a hippie is anymore, you know? Because so many people look like hippies but they're not.

Tell me about your living room.

This is my new couch first of all. This is my first big purchase for my home. Katie St. Ives got us these lovely fish over here. This is my good luck kitty that I got in Japan. I go to work for Japanese companies there and it was my 19th birthday as well and they spoiled us and spoiled me extra and they gave me that as a memento.

She moves into the bedroom.

Okay, so this is your bedroom where the magic happens

Yeah. I like it. I finally got to a point where I'm happy with it. It's a queen size bed and soft. I love my bed actually. Do you want me to show you my boobs?

For sure. You're never going to get a breast job are you?

I hope I don't ever have to. I don't plan on it but if it does happen...saggage!

You're never going to sag. Come on!

I may. It could happen. You don't know, I mean I don't plan on having kids but gravity is an asshole. I get mad when people don't give my boobs the appreciation they deserve, especially in a scene or something, they don't even touch them. I love having my tits played with and it turns me on so much. Everyone says that boobs are overrated but it's still a classic, they shouldn't be forgotten. Also I used to have my nipples pierced so there's that little bit of scar tissue that makes them perfect for grabbing.

Tell me about getting your nipples pierced. What's all that about?

I think it looks hot and I love the way it looks on girls. I still love nipple piercings but I got weird with hygiene after my first year in the industry. You realize how many germs there are out there and like someone with questionable hygiene would start licking all over them and it would make me nervous.

She sits in her office chair and puts her feet up on the desk.

This is my office, my desk and my computer. I like having an office even though I don't use it that much, I just feel official.

Where do you cam from mostly?

I definitely switch it up every time. I danced on our stripper pole and then in my bed and on the couch. I haven't cammed in here yet but this is the one room you would think I would.

She stands up and vogues in front of a huge wall-sized map of the world.

I like looking at this thing though. You kind of think of the world as just one place. It's a big place. That's why I love traveling.

We head out to the kitchen.

My kitchen is pretty awesome. I'm making coffee. Would you like some? My mom got me this coffee maker/espresso maker. I wish I had my pearls on.

For sure. Do you like to cook?

I love to cook. I love baking. I love baking cakes and one year I was on my little baking frenzy as a child and I cooked an entire Thanksgiving dinner from a *Bon Appetit* magazine. Oh my god we had apricot glazed turkey with rosemary and raspberry chocolate tort. I was raised by my mom and my aunt and they were very much into cooking. I eat pretty much all organic or natural but I'm not a vegetarian. I still eat meat.

Lily LaBeau announces that she will now make good on the promise of sticking her hand up her pussy, and while she's in the mood will also bang out an orgasm. She grabs a black vibrator and spreads out on her favorite couch. I start shooting pictures. The vibrator is switched on and she pushes it onto her pubic mound.

People like to pull my clit out and then put the vibrator right on top of it but it doesn't like that. It's supposed to stay safe inside its home.

Around 15 minutes later, the vibrator, Lily's hand and a portion of the couch are soaked.

I might have gotten some vagina juice on the couch but at least it's all mine, the vagina juice and the couch!

She squeaks and I ask if her orgasm was any good.

Yeah, that was a good orgasm but I like it when it's

longer. I am such a big tease. I like to get turned on and just get so sopping wet that I can't think of anything else other than just getting fucked and then it's like just harder orgasms. The vibrator gets you there fast and gets you off which is good but if it takes a little bit longer it gets harder and more intense for me.

What do you think of the Wand?

That thing is a godsend! I love it! I just like masturbating. One night I was really intoxicated and I was really, really, really, really horny. So I have my boyfriend see if he could get his whole hand inside of me but he has really big hands. It was tough but it was the coolest feeling ever because it was so full. Just the littlest movements are like EVERYTHING! Then you add a vibrator to that and it's like oh my gosh! We tried again when I wasn't that intoxicated but it didn't go all the way in.

That's it. This was all real. Lust and love just pour out of Lily LaBeau's soul. "Someone said that I have eyes that could eat them alive," she says. "But I've always considered myself more of a goth vampire than a pretty, blonde girl." Go back, dear reader and pick out any picture. Stare into Lily LaBeau's eyes for a while, into this deep universe of uncontrollable beauty and danger. Dude, you are so fucking disarmed.

Foxy Lola is lucky Keni's favorite treat. Not only is she lithe and energetic in bed but she is game for pretty much anything. He likes the way she drains his balls down to the very last drop, which is why he keeps coming back for more. This works out just fine for Lola because she loves to fuck. Her favorite is when he sucks her pussy until her eyes roll back and she's left gasping for breath. As far as Keni is concerned, Lola's cunny is magic. The inside of her pussy seems to caress his shaft, getting tighter, wetter, and silkier with each thrust. Right when he's about to go insane with pleasure, Keni pulls out to splatter a hot spray of jizz across her perfect ass. Lola smiles wide as it trickles down the backs of her thighs. 🍌

Black Angelica & Angelica Heart

The only thing that can possibly be better than a chesty, lusty, raven-haired stunner is TWO chesty, lusty, raven-haired stunners, especially if they are going at each other as if they were the only passengers on a plane taking a final flight into the Pacific. The comingled virtues of Black Angelica and Angelica Heart are so overwhelmingly racktacular that it defies logic. To watch them plumb the depths of each other's most private holes with fingertip, tongue, and toy is to behold a raunchy revelation, a lesbianic epiphany. Has dykedom ever before seemed so sublime? Clearly these ho's were made for each other, forged from some molten hot pit of fiery Sapphic lust and meant to get off together from here till eternity. And so, secure in their sense of purpose-to provide pleasure for each other cum what may-these hotties hump on.

THAN TOILET PAPER
IN TOILET

Lily Carter has a more than average amount of that fabled Girl Next Door appeal because, among other reasons, she comes from a relatively small town in Oregon where they invented this shit. When she arrived in L.A. she was yet another deflowerable country girl who had come to the right place to cash in on her "purity" for as long as it could last. It's been well over a year now and her flower has not yet faded. Today she'll be climbing aboard Mr. Marcus in a scene for fabled director Ivan and his PUBA network (winner of the 2012 FOX award for "Best Reinvention of the Porn Wheel") that will include crazy camera hijinks and scary, interracial banging! Lord help us!!!

I ask if she's changed after a year or so in Pornoland.

"I have grown as a performer," she answers firmly. "I've become more comfortable. I can actually be myself on set and when I'm having sex I can do what I would normally do in my own bedroom. I used to be really shy and I still am. I'm completely a shy person when I don't know people. Now I'm more willing to go over the top."

If the condition of a person's skin can be an indication of what is going on underneath, what we have here is a mirror of womanly health, devoid of meth bumps and foul nature, so far. She confesses to living a relatively clean life up there in the Northwest. I'm sold.

She's still half naked with her hair pulled back and is stepping into a red bra, bikini panties, garter, stockings outfit. Lily Carter cleans up very well and as her look takes form this is the perfect time to ask about her orgasmic process. I've seen her in action before and she has no problem, at least appearing like she's firing off fiendish, body shuddering climaxes. This will be news we can all use to more pruriently comprehend the truest heart of porn girl lust, and that's what we here at FOX are in business for.

"I would hide my orgasms back in the day when I first started," she says. "When I orgasm it's really intense, my legs shake and I make horribly weird noises. My body quivers afterwards and I was always embarrassed about that but now that I've been at it for a while I'm more willing to let go and do that on camera which is awesome. I used to cum on camera but I would hold back."

Ivan has set up a projector that will throw a real-time image of the bang out from another angle onto the wall behind so as to provide the viewer with twice as much porn input as would normally be available. This is also a fab way of upping the porn dose in the guise of an ART STATEMENT, which I'm all for. We are making art here, because, after all, we are ARTISTS!

"Lily and Mr. Marcus wanted to do a kind of a rape scene but I want to do something that's a little quirky lighting wise so we are projecting them on top of themselves and he's going to do a rough scene with her," says Ivan. "So I think it'll be kind of cool. I'm going to let it be a free-for-all and let them do what they want."

He shoots a striptease on a low-slung divan and then there's a chill out in Ivan's office before the sex part. The conversation drifts to Lily Carter's squirting habit.

"I can't control it," she says. "I have to pee before every scene, okay? I don't know what it is, and I still squirt."

Ivan asks if she's ready to do the scene and she says sure but she has to pee first.

"Can we watch?" asks Ivan. "I'll put this shit on your website."

"You want to watch me pee?" she laughs. "I'll pee!"

Ivan rolls video from the open bathroom door. Lily Carter's face reads: I hope you're happy now! Mr. Marcus walks up and asks what she's doing.

"Ha ha!" taunts Ivan, "Now you're going to get pictures in FOX Magazine of you peeing! Now you're fucked!"

And so it goes.

All right brats, I've just about had it with all of this goofing around in the bathroom. It's fuck time! Ivan's photographer Steve will be manning the projector cam while Ivan shoots video. This projection idea looks awesome, as does Lily. Ivan rolls camera and the BJ morphs into reverse cow-girl. Here again I feel pressure to put a porno sexual encounter into words. I'm not going to waste that much time on it because to describe each penetration is an exhausting and even embarrassing exercise. I'll leave that to the professional porno-fiction writers who have the stomach for the "He thrust his throbbing black mamba into her pink and inviting slithering slit" sort of thing. Whoops, there I go again. I did it anyway. Sorry. Please kill me now. Thank you.

LILY CARTER: I honestly think of porn guys as a cock, and that's it. A lot of them that the girls like are supposed to have a lot of charm and say things like, *Oh you're so sweet and beautiful and you don't even know how much you've blessed this Earth!* and things like that. It's BULLSHIT! They say that to every girl and I have a good scene with them or whatever because they're a cock but most of them are pretty fake. There's definitely passion in my scenes and I like to feel that passion but after the camera has stopped rolling it's completely gone. I mean, I felt the connection with some of them and they're pretty cool guys and I would definitely hang out with them but I don't like to mix personal life and work. I think they should be separate. But I definitely cum during my scenes. Even though these dudes are professional porn stars there are guys out there I have fucked who are just as good. They might not be as big but honestly in my personal life I don't want huge ten-inch cock inside me. I know that's not what the fans want to hear but that's the reality. If you watch my scenes you'll see that I cum over and over again. It gets me off if I'm rubbing my clit. It's a different orgasm, it's not like a clitoral orgasm, it's definitely more intense and I get goosebumps all up and down my body. It's different, and I'm glad that I got to learn that instead of being scared off by it. My personal sex life hasn't changed really. Everyone wants to believe that a porn star goes home and has sex with multiple people and is this crazy whore. But even before porn and when I talked to you that last time I had a boyfriend. Seriously, sometimes I will go home for a month and I won't have sex. I'm not like this whore that goes on the town and finds different guys everyday. I've had sex with six guys in my personal life. My sex life has not changed, when I'm seeing someone I fuck that person and I masturbate everyday. I'm basically monogamous but I actually really don't like relationships, I don't like having to be like that. I don't like that commitment.

LILY: I can go on for hours about serial killers. I have no idea where my obsession comes from. I used to study psychology and I would get books and read about personalities and disorders and now it's changed over the years into more of an obsession about the criminal mind. I literally have five textbook-sized books all about serial killers and psychopaths and how you become a psychopath. My obsession took me over for like a month or so. Every chance I got I was reading my textbooks. Some intrigued me more than others but it's more about their mind. People have asked me if I would want to have sex with a serial killer and it has nothing to do with that. I have some very sick and perverted sexual fantasies that are very kinky and sick stuff in my head, but for serial killers I have nothing.

I had a hard time in high school. I was a cute chick but I had a twin brother and he was cool and he made fun of me and that made everyone else make fun of me. When a guy wanted to see me it was behind his back, not because he was scary but because he was popular. Everything was secretive and they wouldn't want to make it public that they were seeing me because I wasn't really touchable, but now, not just guys, but girls are contacting me wanting to be my friend and wanting to hang out with me and really, I can't say I could care less, but it pisses me off. You didn't like me back then so you shouldn't like me now. They can kiss my butt because it will never happen. Once I'm in the bedroom it's the same as on camera sex. I still cum just as much and I still have as much fun but I don't have sex with multiple people. I never did. I had a bad reputation before and it goes without saying that high school was not a good time for me and I did have sex with six people within the first five years of me having sex which isn't a lot for some people, but in my little town it was a lot. I used to party a lot and I would find one guy and I would get wasted and definitely flirt with a bunch of different guys but I would always keep it to one guy.

Last year my liver started to fail but it wasn't from drinking. I had an insomnia problem for a long time and I took NyQuil for two years to go to bed at night and I didn't realize it was bad for my liver. It was the stupidest thing ever so when I went to the doctor I realized that my liver was having problems. So now when I drink I get really, really sick. I can't really drink, which is fine with me because I'm past that time in my life. Back home I'm a mom. I cook and I clean and take care of my daughter and I go to the park and I watch movies. That's basically my life, it's simple. I live in a town with virtually no cellphone reception whatsoever. I have a landline and there are like five people that have my landline. I seclude myself from everyone.

LILY: I would never date a guy who tells me that I can't do what I do. I also can't be with a guy who's not okay with me liking girls. Am I complicated? In my personal life I'll have a guy have sex with my butt while I put a dildo in my pussy because I like the feeling of that but I wouldn't want to share that with everyone yet. I've never done a DP. I've only done two on-camera anals with a boy and I don't want to do a DP anytime soon. I was contemplating it because I got an offer but I decided not to. I need to grow as a person because I'll say yes to something to make someone happy, like doing the DP and then I'll think about it and realize that me as a person doesn't want to do that so I need to learn to not say yes to everyone. I added anal this year to add something new to enjoy myself and experience something new but I also added interracial. Honestly I've always wanted to be with a black man but in my hometown there were only two black men there so I was like, oh I want to experience anal without porno size dicks in my ass and I wanted to experience IR so I did both of them. It wasn't different other than the fact that I'm super attracted to black men and nothing is different about it. It feels the same. People are so racist sometimes, I don't understand. It really didn't feel any different and it was definitely a big cock.

The atmosphere of today's fuck was very colorful thanks to the added images projected upon the huge wall. Porno art quotient has been successfully achieved without dilution of the bang out itself, which was on a very high level due to the professionalism and involvement of both copulators. Lily Carter appears to have gone through her distinctive orgasmic protocol more than once, but there is of course no way to bust a girl if she's lying about this shit so what you have to do is either TRUST YOUR PORN GIRL, and/or rely on my extremely acute extra-sensory perception on this issue. I'm here to tell you that Lily Carter is a fucking on-camera, smalltown Oregon country girl ORGASM MACHINE!

"I came a lot," she reports after wiping down. "Can't you tell? It was hot. I love Mr. Marcus!" 🐱

**Kaci
Starr**

vs. Angus

Time &

PXXX BY PORCINE, INC.

Buxom little cutie Kaci Star has never been one to say no to a second helping of pork. Her philosophy has always been to graciously accept any proffered tubesteaks lest she find herself wondering where her beaver's next meal is coming from. So when she turned up at Tim's place looking for a little action and his partner in swine Agnus was there, she eagerly took them on in tandem. The boys spit roasted her but good, taking turns in front and in back until Kaci was really well done. Agnus even managed to sneak in through the back for a few strokes while Tim egged him on. Kaci bucked and jiggled and squeezed out a few O's, until time came for the boys to spill some slop. She assumed the position and opened wide while they both took aim and spooged into her gullet. It's fair to guess that after this tryst Kaci suffered from a touch of the meat sweats. 🐷

Cadence
St. John

Bad-assery comes in many forms but rarely it is as balls-out sexy as the fucking phenomenal Cadence St. John. While some may find her look to be a little exXXtreme, chances are that she doesn't give a fuck. Sure, she sports a lot of ink but it just serves to highlight the creamy areas of her skin unadorned by tats. Like her tits, for example, and those giant nipples that all but beg to be gnawed on. Her curvy backside is another delicious expanse of flesh untouched by the artist's needle, and God, is it ever lovely to look at. The killer dragons perched at the start of the landing strip leading down to her red-lipped twat serve as guardians of her gash. Imagine banging her hard with her knees by her ears and unleashing a mighty load upon that pair of inky beasts. Now THAT would be fierce. 🐉

The Twitter Interview

Phoenix Marie By @Gabriel_Lan

Comic book collector. Classic car restorer. Science fiction buff. Not exactly things you would expect to hear as the hobbies and interests of one of the biggest stars in the porn industry, but that's exactly what you get with @PMarizzle...the unexpected. Well, that's not entirely true.... You would expect her to be sultry, charming, and a sexual dynamo in her now nearing 1,000 scenes, and you get all of that, too. Plus a whole lot more. She does EVERYTHING in her scenes that can get a dirty pervert off, and takes great pride in "saving marriages one scene at a time." One thing you don't get with Phoenix is stereotypical. She has a positive outlook of which all other girls in the industry should take note, and a refreshing openness about pretty much anything that she shares with others. Friendly, a great sense of humor, witty (witty = smartass, LoL), intelligent, and stunningly beautiful...what more could you possibly want? With 130,000 plus followers, it's obvious a whole lotta people agree.

@Gabriel_Lan: A common stereotype of porn girls is that they come from broken homes. Your parents have been married for what...over 30 years, right?

@PMarizzle: My parents have been happily married for over 32 yrs, and I'm one of ten children. I'm #7, but their 1st together.

@PMarizzle: My mother met my father after she already had the first six, which she raised them ALL along with making me & my little brothers.

@PMarizzle: We are an extremely tight family (not like that, you pervs LoL). We looked out for each other in school etc...

@Gabriel_Lan: You seem to have a great relationship with your parents. Were they always so accepting of your pursuing a career in porn?

@PMarizzle: Lol the words "accepting of"...yeah not so much!! They are my parents, they love me, but the "Phoenix Marie" part... We don't discuss...

@PMarizzle: They know. My mother and I are at the point of jokes... Finally Lol!!... No one ever wants their child to be a pornstar though!!

@Gabriel_Lan: Has your mother stopped playing "Somebody That I Used to Know" (feat. Kimbra) by Gotye yet? LoL She figure out how to use that iPad3? LoL

@PMarizzle: Lol my mother is actually getting a lot better at her Mothers Day gift... The song is still on repeat...

@Gabriel_Lan: Being so family oriented, is that something you want for yourself some day...a family?

@PMarizzle: I am overly ready to start a family. I'm 30 yrs old now. I've been in porn for 5 yrs in October, I think. I'm ready for the next chapter...

@Gabriel_Lan: You're not currently in a relationship, right? What happened the last time you ran into an ex-boyfriend?

@PMarizzle: Omg...I haven't run into my ex lately. I'm actually avoiding it...I've struggled to let go.

@PMarizzle: It's no secret Christian XXX and I were in a struggle with our on-again/off-again relationship. It's well documented at christiansingstheblues.com

@PMarizzle: I'm kinda a hermit/gym rat now. So to answer that question, as of today: Single? Yes. Hiding? Yes Lol

@Gabriel_Lan: I understand you both played soccer and even coached soccer teams before. Maybe you could do a better job of motivating the U.S. National team than the current staff?

@PMarizzle: I did both play & coach...I also watch a lot of the football (UK, baby) matches...US has no hope...even if I offered BJs....

@Gabriel_Lan: I know you're also a big UFC fan. Do you ever attend any live events?

@PMarizzle: I live UFC!! I attend almost every Vegas event (I know some people)

@Gabriel_Lan: What do you like most about it? Have any favorite fighters?

@PMarizzle: I have a lot of fighter friends, so a favorite is never said. "Any Given Match," you know what I mean?

@PMarizzle: I respect fighters. They've trained their bodies to be a machine that can be used to take down anyone... Kinda like me in my scenes Lol

@Gabriel_Lan: Since Arianne missed an event after getting a DUI, would you be willing to fill in for her as the ring card girl? LoL or just permanently take over...?

@PMarizzle: Hell Yes! I can totally count to 5 too, so we're good, right?! Lol I don't drink, never used a single drug, so I won't miss any match ever!

@Gabriel_Lan: You made a statement on Twitter that makes me think you are a fan of classic muscle cars. True?

@PMarizzle: My father raised me a tomboy. I've been wet sandpapering classics since I was 5. My 1st car was a '66 Mustang Straight-6 with bench seats.

@PMarizzle: I restored a car with my father. A '61 Ford Galaxie Starliner Black 390 bored to 426. More power! It's the 1 thing I'll never let him sell!

@Gabriel_Lan: Speaking of truth... One of my favorite things to read is when you post a #MarizzleFact. Some things I've learned:

@Gabriel_Lan: #MarizzleFact that "If it wasn't for my Personality...& Booty Hole...I'd be just another girl!! Oh & it's pretty when I scream!!" You believe that?

@PMarizzle: I think that there are tons of girls in porn now... I truly believe people watch me because I'm a dorky chick who loves sex, and is open...

@PMarizzle: Why else would they watch me?!

@Gabriel_Lan: #MarizzleFact: "If I Want To Fuck The Photographer MY Stills Are Hotter & Dirtier" True story from personal experience? LoL

@PMarizzle: It's totally personal experience. I've done well over 900 scenes at this point and the stills that I look the hottest in are the ones where

@PMarizzle: there's sexual tension between myself & the shooter. I did a solo once where I showed off hardcore to show him I'm not a little new girl anymore.

@PMarizzle: Sooo hot just thinking about it now.... Kink.com. EverythingButt, myself & James Deen!! A must watch!!

@Gabriel_Lan: #MarizzleFact: "I Believe EVERYONE Should Do What Makes Them HAPPY!!! We ONLY Get One Shot In This Crazy World Find Your Reason To Smile!!!" That's a great outlook. Where do you get your positivity?

@PMarizzle: I guess I'm just a happy person 99% of the time. I have "off days" too, but they are few and far between now...

@PMarizzle: Porn has allowed me to discover a lot about who I am, what I like, what I don't like, and a freedom to explore "me"!

@PMarizzle: So, the happier you are with yourself, the easier it is to share happiness!

@Gabriel_Lan: Do you find it flattering that the new girls in porn look up to you?

@PMarizzle: Lol it's very interesting to me. I guess because I've never watched myself on or off camera, I don't get how someone looks up to someone.

@PMarizzle: I have NEVER watched porn EVER... Seen trailers, looked at some stills... But watched? No Way!

@Gabriel_Lan: Something else very un-porn-girl-stereotypical about you is you don't drink. Not even on a special occasion?

@PMarizzle: I'm a 1 drink drunk. If I'm going to drink it'd be with someone I trust and I'm dating because sex will happen. Ergo...I don't drink Lol

@PMarizzle: Never had random sex before, either pre-porn or now... Relationship Only!!

@Gabriel_Lan: Clearly, the vast majority of people would describe you as "hot." What is something that you always find hot?

@PMarizzle: On guys—muscles and a smile. On girls—smile and personality.

@Gabriel_Lan: I understand there's a game you've never lost called "If I get your dick hard while riding, you have to pull over and fuck me!" Undefeated, huh?

@PMarizzle: Yes, I am the Champion! I have an FXDI 2004 (Harley-Davidson Dyna Super Glide) so I can ride my own...

@PMarizzle: ... but every now and then I'll be someone's "bitch", then make them mine!! ;p

@Gabriel_Lan: You strike me as a really open, honest person. Is omitting stuff because you assume another person will never find out the same as lying?

@PMarizzle: Yes! It makes someone feel like a fool when they find out later there was more to the story and the other was "protecting you from something"

@Gabriel_Lan: You were sick when you first agreed to do this interview, so I really appreciate it. What's the worst thing about being sick?

@PMarizzle: If you're single and no one is there to cuddle and get sick with you and join in your misery ;p Lol

@Gabriel_Lan: Being an admitted fan of "backseat/car" sex and random public sex in general, does that stem from your 1st time being in a car?

@PMarizzle: Luckily my 1st time was in a bed, but I've enjoyed a ton of public sex on & off camera in cars, theme parks, random spots along a highway...

@PMarizzle: It's just exciting and always helps keeps things fresh!!

@Gabriel_Lan: Do you ever share "horror stories" or "shop talk" from work with your non-industry friends?

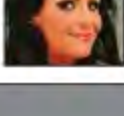

@PMarizzle: I try to leave porn with porn. I have friends who ask and when I start talking they just get red, grossed out, or over excited so I stopped!

@Gabriel_Lan: What went into your decision to go with dark hair?

@PMarizzle: The dark hair and the new boobs was about me needing to change for "me."

@PMarizzle: I know it was a huge risk career-wise, but luckily it hasn't hindered too much... Plus I got to play Xena XXX!!

@Gabriel_Lan: Does hair color matter as long as you are your dorky, comic loving, Sci-Fi watching, smiling while taking cock up your bum, fun-loving self?

@PMarizzle: I think if my hair effects the jerking off, then I'm doing something wrong!?! Lol

@Gabriel_Lan: Think you'll go back to your natural color any time soon? You mentioned maybe after Comic Con. Are you a fellow comic book nerd?

@PMarizzle: I almost changed back to blonde the other day, but I made a commitment to myself to stay dark until after Comic Con, so I will...

@PMarizzle: I have collected Marvel Comics since 1991..."I wonder why I never dated" Lol

@Gabriel_Lan: You're kinda geeky when it comes to photography too, right? Think you'd like to add "photographer" to your list of skills?

@PMarizzle: I actually am adding photographer, videographer, and director to my list. I'm taking a break from performing for awhile. Next chapter time...

@Gabriel_Lan: Would you say you march to the beat of your own drum? That is, you don't really follow anybody else's "rules" do you?

@PMarizzle: No Rules! I understand there are laws and I respect that, but when you start with "don't do this, this, this.." I say, cool I'm going home!

@PMarizzle: I promise to never let down a director, company, or myself when I do scenes. I say, let me do me—I promise you'll be happy with the results!

@Gabriel_Lan: Although you're a total beast in bed, I understand you're really a sucker for anything heart-moving. What are some examples of that?

@PMarizzle: I have an annual pass to Disneyland with No Blackout dates because I still believe in "happily ever after." It's a dream I have for myself!

@Gabriel_Lan: I remember reading where you were 99% sure you needed a kitten. Did you ever gain the other 1% of assurance and get one?

@PMarizzle: Still no kitten...yet... I need a full-time cuddle buddy!!

@Gabriel_Lan: What percentage of websites that you frequent are blocked when you're using an airline's WiFi?

@PMarizzle: Lol if I tell you that I may have to kill you...

@PMarizzle: I'm a member on every adult forum for starters... Those are all blocked, yet my Twitter feed is not "thankfully" lol

@Gabriel_Lan: Dana Vespoli tweeted "Oh, you know... @PMarizzle has one of the best assholes on the planet". How do you feel about that?

@PMarizzle: Lol I'm very happy that my booty hole does amazing tricks when asked to... Plus she turns me on hardcore, so it's like "Open Sesame"...Lol

@Gabriel_Lan: What's more rewarding to you—the way a scene comes together or the payment for the scene?

@PMarizzle: As I've said before, money is a great incentive...but if it's not going to be a great scene, I'll just cancel it!!

@PMarizzle: I'm really picky. I have a "Yes List" with performers I'll work with and for...They know me, my limits, and how to enjoy sex!

@Gabriel_Lan: "If you don't remember it...did it really happen?!" Lol This is a good philosophy. You think it applies in all aspects of life?

@PMarizzle: Lol it's actually a joke I was saying with a male friend I have sexual tension with...

@PMarizzle: I said "Well, two drinks and we can have sex and I won't remember it." Lol...p.s., we didn't do it...I'm such a tease (chicken) Lol

DIRTY MINDS

Q&A by @Gabriel_Lan We've all heard the expression "Great minds think alike," but what about "dirty minds?" Do they think alike too? FOX wants to know, so we enlisted some of the dirtiest, filthiest minds we could think of, you guessed it—pornstars! The next obstacle was what to base our measurements and analysis on. We turned to the fans and their enquiring, dirty minds to find out what perverts want to know. Since all pornstars are asked a select few questions by virtually every fan, we did the legwork and went straight to the girl's themselves to ask those same questions. You can decide if there are common themes in how porn girl's think and how they answer. This month's featured question is:

WHAT DO YOU THINK ABOUT WHEN YOU MASTURBATE?

31570

NORA SKYY:
I concentrate on what I'm trying to achieve... an orgasm!!

VICTORIA RAE BLACK:
I usually think about past sexual experiences... Times when I was super turned on and satisfied.

30850

PHOENIX MARIE: I cannot masturbate... I tried and broke a Hitachi Magic Wand head off in my butt. I need another person to make me come!

31826

ROXY RAYE: This isn't a black and white question for me because I get off on just about everything, seriously! Sometimes I think or watch the nastiest hardcore porn you can think of the and other times I'm only craving watching or thinking about something tame like a hot amateur girl or guy on a home webcam masturbating.

30088

CAMONE TAYLOR: When I masturbate, I usually look at a guy's photo in my phone... whoever I'm into that week... and imagine he's pleasing me.

30550

CACHA SWEET:
I usually masturbate to Hentai porn, or WoW (World of Warcraft) erotica, or I just concept really dark, nasty scenarios in my head.

28899

DANICA DILLON: When I masturbate I think about a girl I know named Kimber. The way she felt and kissed. She is such a hottie! We kinda had a thing for awhile.

HEATHER STARLET: I like to imagine my guy fucking another hot chick. I'm a voyeur.

ASHLI ORION: I've noticed I start with fantasies where I travel back to the times when I was afraid to be a slut and relive those memories in slut-model! Sometimes I drift into thought about errands and stuff though and can still cum lol.

LEA LEXIS: Noting too intricate—orgasm #1, then #2...#3...#4... Exhale... Sleep.

GRACIE GLAM: I either picture a girl or guy I'm crushing on at the moment, or normally one that has fucked me recently.

STEVIE SHAE: Sometimes I literally visualize someone just fucking me so hard that I'm moaning at the top of my lungs, and I never want it to stop :)

30050

ALLISON MOORE: When I masturbate I usually think of getting fucked really hard and or I start thinking about fucking once I start masturbating... I usually get into my zone and just relax and let the vibrator do all the work.

27944

SARAH SHEVON: I'm very greedy with my orgasms when I masturbate alone. I try to focus solely on my orgasms. That might partially be due to all the time I spend masturbating with others via webcam 'cause I have to be more focused on my customers when I'm doing it with them.

30262

AMBER ASHLEE: I think of past experiences where they made me cum hard and many times. I also fantasize about sexy people I have yet to fuck.

PORNO DAN & MORE FANS THAN
DAN CAN SHAKE HIS DICK AT
PIXXX & ARTICLE BY JEFF HUBRIS

As usual I'm late arriving, but that's okay because there's way more than enough porno circus here to entertain your average, retarded compulsive masturbator who has hopefully logged onto tonight's *Fuck A Fan* show starring Nikki Sexx and two fluffers in the form of Taylor Russo and Izzy Bella Blu. The *Fuck A Fan* ordeal begins with three applicants who must compete in a contest that will decide their standing as the "handjob winner" (also known as the loser), the "blowjob winner" (almost the loser) and finally the "*Fuck A Fan* winner" (the real winner) who gets to bang the primary vagina wielder, in this case the large globed and very sexually forward Nikki Sexx.

Porno Dan started out tonight by having the contestants drink soda and eat Pop Rocks, then in an attempt to combine Easter and Halloween, made them dress up in bunny masks and engage in a candy hunt competition. The pecking order was somehow determined, but already the distribution of sexual rewards has been fucked up.

"The third-place guy, the handjob winner, is already gone now," Dan explains. "So now we have the second place and the first place fan left. Nikki rewarded the third-place fan with a handjob with her vagina. That was very kind. She's one of those girls. She's a giver. She cares about the people!"

Since Nikki has already banged the handjob winner, who as mentioned was entitled to only a handjob for his paltry performance in the Pop Rocks, soda, candy-hunting tribulation, in a dramatic sense at least, we've already peaked too soon. Right now, the three girls are on the purple porn couch, pressing Hitachi wands onto each other's clits and engaging in the occasional dildo pussy probe.

"All right Nikki, they want to see you fuck!" yells Porno Dan. "Can you do that for me?"

Nikki dons a strap-on and says, "All right, let's fuck a bitch...I mean, HAVE SEX!"

She bangs Izzy Bella Blu in missionary, which leaves Taylor Russo unattended with a drink in her hand...for the moment.

"Taylor just got off a contract with Vivid," says Dan. "She goes from Vivid Productions contract star to Immoral Productions fluffer, overnight! In the words of the great George Jefferson, 'MOVIN' ON UP!' This is a much more enjoyable environment she's decided. Way more. More her speed."

Porno Dan whips it out and makes an insertion upon an adjoining brown porn couch.

"I do this for the fans!" he declares. "I don't do this for me, I do this for the people. I'm a man of the people!"

Nothing new here, just another "proclamation of lifestyle" Porno Dan moment of shallow puffery while being Porno Dan. You have to hand it to the guy though, for turning this place into a constant assembly line of soulless sexual couplings that fly out into the useless porn universe every day. The world can end now.

Wait a minute. Blowjob winner and *Fuck A Fan* winner must be around here somewhere. Holy shit! They're hanging out in the Immoral Productions foyer, chilling while Porno Dan gets his rocks off. Priceless! After Dan blows a load on Taylor Russo he calls in blowjob winner Tony.

"This is our second-place fan!" Dan yells into the webcam. "He'll be getting a blow job from our fluffers and the beautiful Nikki Sexx!"

A touching story: Tony is Immoral Productions regular Lizzy London's boyfriend. She's ready to participate in whatever plays out. With the GF here it could go either way for Tony. This kind of thing is always a hard call.

"So Tony, is this the first time you've hooked up with anyone in front of your girl?" asks Porno Dan. "If this goes completely disastrous and if she punches you in the face we will be recording it for your safety in court!"

"She likes it rough anyway," says Tony. "So this might turn out great!"

Lizzy seems dedicated to success here and blows the BF for a while then ends up sitting on his face while Nikki rides dick. So much for blowjob winner being limited to face time only. I'm just here to tell you that you don't see this kind of shit every day on a porn set. Rarely does a girl do more than what she is getting paid to do in the first place. The porn industry is just one big lazy whore club, of which Nikki Sexx is not a member, at this moment anyway. What the hell is going on here?

When that's over Romeo takes center stage. So here we go. The girls get Romeo's clothes off and attack his dick all at the same time. Porn pro's are used to this kind of thing but you'd be surprised how often all of this fanfare in addition to a bunch of scraggly dudes standing around holding cameras can have a denuding effect upon a porn civilian's erectorial ability. No problem here though. Romeo is SO THERE!

PORNO DAN: Taylor Russo cannot stop cumming. She's a sex addict.

TAYLOR RUSSO: Crazy chicks. Shit!

So Taylor Russo, former contract star. Is this a more fun environment than working for that stiff, evil porn company that contracted you to slavery? Is this way better?
Equally fun.

You don't have to lie. You don't work there anymore. Say FREEDOM! FREEDOM! AHHHHHH!

FOX: So you have a twin sister? You were the Russo Twins, right?

Yeah, she was in porn with me. We just had a movie come out yesterday. Our contract expired at Vivid. We were with them for about six months. It was a lot of fun. We took a break and now I'm back. I'm going to tell her that I'm shooting for this and shooting for that and maybe she'll want to come back. We are originally from St. Petersburg, Russia. We don't have Russian accents though. We kind of forgot it. I can remember the language a little bit sometimes. I can listen to songs and stuff and I can gradually pick it up. We were orphans in Russia and we were adopted. What they did was have us come over in a little group and dance and perform for two weeks to kind of like sell us out. We danced at church, Disneyland and a few other places and when we go back whoever picks us would see us and say we like them and then start the adoption process. It was like Russian folk dancing but we were never very good at dancing or singing so it was kind of weird. Weird isn't even the word. We used to get in a lot of huge fights. She started smacking me first and thought I would never fight back so I just picked up a curtain rod and wacked her with it and then I got her with a blowtorch. ...In two weeks I'm going blonde. Just because my movies are all blonde and my agent wants me to stick to it. ...I like to get fucked hard and unplanned. Spontaneous. It's more fun. I get off by watching kink.com. I love watching gang-bangs and chicks getting raped in the ass. I've never been gang-banged. I'm too scared. I've been fucked in the ass though but not on camera. ...I tried to do a DP in my real life one time. I picked up two guys at a bar but the first one I tried with my boyfriend at the time and his friend. It was weird because with normal guys, one of them can never get it up. And then the second time I was at a bar drinking. A guy wanted me to hook up with him and I was like, okay, he's semi-cute or whatever but his friend was super hot so I was like, *We should have a threesome!* One of them couldn't get it up. But porn makes dreams come true. You'd be surprised. Just because I'm still new I haven't done it though. I'm 24.

NIKKI SEXX: I'm from Ventura, CA and I've been in the industry for over three years now. I don't get it, but I've heard that I have a reputation for being crazy, but I think, what? Because I'm also reserved, so it's weird. I guess I am a radical sexual girl if there's good momentum and good energy, then it's no-holds-barred and I feed off the energy of other people. I was in a relationship for a long time, like from 18 to 23 or 24, and was completely monogamous and by-the-books, so I think that when I got out of that, I just made up for lost time. I've always known that I had this big, burning, sexual thing under the surface, and as a result of having been married and strictly monogamous for so long at such a young age, which is a crime, I just went wild after that and made up for lost time. I was married for a year, but I was with my ex for about four years. Looking back, I'm really grateful that I was a true person, and that I gave it my all. I really, really get into whatever kind of fucking the person I'm with is into. That really, really, really sets me off. So if someone wanted to fuck me slow and didn't want to pound the shit out of me, I'd fuck them slow back and enjoy it, I'd love it. It takes concentration, rhythm and a connection to make me cum. Porn sex gives me more carnal satisfaction and I enjoy DPs. I think they're hot and filthy and not an everyday kind of thing, and I find that stimulating. As long as people are into it and not mechanical, then I really enjoy it. To get myself off more recently I've just been using my Hitachi. I've reached some newer levels with the guy I've been dating recently, but I don't really want to say why. We really developed our connection, it's really amazing, it's phenomenal, and so we can pretty much do anything at any time. I've explained to him that work is work, and if I'm in the moment then I'm in the moment, but once that's over its done, and I leave everything on set. Before I got into porn I was a microbiology assistant in a lab in New York, and then an assistant tech and then I just moved up through that company. I made a lot of money there, but a lot of things changed so I decided to move back home. And then my ex-fiancé out there said, you know, you can do this porn thing, but to me it seemed a little far-fetched, just because everybody wants to be an actor or move in with a football player, but I guess it's a process. I mean, if you're good at football, and you like it, it doesn't necessarily mean that you're going to be a professional football player. So anyway, I went down, and I submitted my pictures and my application and I got a call back, and that was it! I used to dance, you know, clubs, and then took up painting, and it was short-lived, and I had no idea what I was doing! I have a peeping portrait of a peacock in my bathroom, and I love it. I enjoy other little things I've tried, like cake decorating or hatching eggs in a homemade incubator, some really random stuff. I'll think, *Okay can I do this?* And I try it, and some stuff I've tried sure went a little bit better than others.

ROMEO: I like my dick sucked. I like pussy around it. I like boobs. I haven't gotten to all of the pussy yet. Where do you want me to cum on her?

TAYLOR: All over her ass.

IZZY BELLA BLU: Yeah I like it, she's got a nice ass definitely.

DAN: Maybe you should fuck her ass though.

Romeo easily blows a load on Nikki's rack. There's still time to kill so porno populist Dan has to jump in again and ends up dropping what's left of his frat fucker ballsack juice on Taylor Russo. This ends another night of confusing, impersonal sucking and fucking that enabled Dan to get blown by and bang all three chicks. Some call Porno Dan a loser, but basically he's lives the life that Charlie Sheen got all that publicity for without the Hollywood money, the Hollywood pedigree, the Hollywood connections, the TV shows (curiously, he *does* have a Canadian cable reality show titled *My Right Hand*) or the ultra-expensive drug habit. Dan really doesn't have a home other than the Immoral studios, a brightly colored whore processing center that, well, you can't really call home. The pussy train is constant though. Porno Dan is a homeless Hugh Hefner. I call that WINNING! 🐱

Aleksa
Nicole

Some porn chicks choose to play the cuteness card, parlaying flat chests and small asses into a sassy, sluttish, barely legal persona to the delight of a very particular breed of perv. Aleksa Nicole, on the other hand, can't be bothered with that sort of Mickey Mouse bullshit. Instead, she's engineered a curvaceous silhouette and ferocious carnality with which she has conquered her own sizeable chunk of the masturbatory marketplace. Her pube patch unapologetically lauds womanhood, as does her full, round, supersized rack. When getting it on, she handles a king-sized cock like a horny queen, not like a prissy princess. And when she takes it upon herself to pack out her puss, she's apt to stick a little sumthin' sumthin' in her ass at the same time because as any self-aware orgasm-seeking gal knows, feeling full feels wonderful. So wonderful, in fact, that it's basically a one way express train to Climax City. Aleksa is definitely on board. 🐱
